

2018 Wacky & Wild Golf Challenge

Available Sponsorships

Dinner Sponsor (1 @ \$500) will have a customized sign placed at the entrance to the awards dinner and recognized during the awards ceremony.

Individual Hole Sponsor (\$250 each) As a sponsor, you are encouraged to decorate and host the tee box to advertise your business using whatever means you come up with including handing out brochures or materials, playing games, etc., etc. The more wild & wacky the better. Cannot use any material that may deface or damage the tee box. Must remove everything and clean up after tournament is completed. Sponsor may bring own signage, if not, a sign will be provided with business name and logo. A hole sponsor may want to choose a particular hole to sponsor. Example: A plumbing company may want to sponsor the "toilet seat" hole (#1) and get creative in tying-in their business to the hole's theme.

Hole-in-One Sponsors (1 @ \$500) are encouraged to do the same decorating and hosting as the Individual Hole Sponsor as described above. Plus, this sponsor will be given the opportunity to present the "check" for \$300 at the awards dinner to the lucky winner who sinks a hole-in-one at the sponsored hole.

Lunch Sponsor (2 @ \$250 each) will have customized sign placed in the area lunch is served and receive recognition at the awards ceremony.

Mulligan Package Sponsor (1 @ \$500) Mulligan packages are purchased by players that give them advantages during play and include 2 golf balls (with your company's LOGO) that can be used anytime a player believes they can improve their shot/putt (it's like a do-over using your company's logoed ball)

Tournament Prizes (\$125 each) Your logo will be on the sponsor sign located at the table where the tournament prizes will be displayed.
